

Roja Sor - Yazidi Relief Organization

Help that reaches its destination – directly with families on the ground.

Many Yazidi families still live with the consequences of displacement, poverty, and lack of medical care. Roja Sor provides support where it is most urgently needed – pragmatically, respectfully, and with transparent documentation.

What we stand for

1. Emergency Aid & Supplies

Food, hygiene products, winter aid – quickly and effectively
Support in acute emergencies (e.g., medication, transportation)

2. Children & Education

Aid for school supplies, learning opportunities, and secure future prospects
Support for families so that children can continue their education

3. Stabilization & Future

Help for self-help (small, concrete relief measures)
Where possible: Reconstruction and long-term structural development

This is how your donation works – transparent and traceable.

Prioritize needs: Aid is prioritized based on the specific situation on the ground.

- Direct approach: Focus on effective, practical support.
- Project documentation: Deployments, distributions, and results are recorded.
- Your contribution: Even a small amount can change everyday life and fill a significant gap.
